

26 September 2017

We are pleased to offer a wide range of extracurricular activities at Glenlola and feel that participation in any of these will be beneficial to our pupils, from enjoyment to friendships, new skills, responsibility, commitment and leadership. The list of extracurricular activities is on the School's website but I thought I would attach it here for your own convenience, as you may wish to encourage your child to take part in some of these activities.

Mr R Spence

Extracurricular activities coordinator.
