Supervised Study for Year 12

Supervised study for Year 12 pupils begins today in the Year 13 study room. These sessions will run each afternoon, from 3.30-4.30pm, and will provide your child with a quiet space with which to study after school. Attendance at these sessions is voluntary.

It is hoped that pupils will use these sessions to prepare for their Mock examinations which begin on Monday 8 January. Sessions will be supervised by a member of staff and will continue until the end of the academic year.

Mrs Sinnerton
Head of Year 12
