Dear Parent/Guardian

As the term draws to a close I would like to take this opportunity to thank you as parents for your continuing support to the School. It is by working together that our pupils achieve of their best and I will be congratulating them once again in our end of term assemblies for the determined and conscientious way in which they have approached their studies.

Our excellent summer A-level and GCSE results confirmed how effective the Glenlola formula is and, through the continued efforts of pupils and teachers, underpinned by your support and encouragement at home, I know we can look forward to another great year in 2018.
