

## English Language Revision Guidelines- Unit 1 Section A Personal Writing.

We would advise that you obtain a copy of the My Revision Notes CCEA GCSE English Series Editor John Andrews (Hodder Education). There are some copies in the school library or you can purchase a copy from Amazon.

Below is a revision plan for you to follow for Unit 1 Section A Personal Writing with some suggestions for practice questions which you can complete and hand in to your English teacher for marking.

Revision Session 1	Read over P14-17, <b>draw out a revision spider diagram</b> of the information on p17. <b>Write an effective opening to PS1 and PS2</b> on P20 and show it to your English teacher for feedback.
Revision Session 2	<b>Read over p 18-19 and P66-67</b> to focus on improving your punctuation and spelling. <b>Complete the extra punctuation exercises that your teacher has given to you</b> and mark them using the information at the back of the sheets. Show this completed work to your English teacher.
Revision Session 3	<b>Write up PS1 P20 under exam conditions-</b> 45 minutes and hand it in to your English teacher.
Revision Session 4	Revise over your Y11 notes on speech writing. <b>Write up PS3 p20 under exam conditions-</b> 45 minutes and hand it in to your English teacher.
Revision Session 5	<b>Write up Unit 1 Section A question on p 75 under exam conditions and</b> hand it in to your English teacher. When your answer is returned to you , consult and read over p82 and 83 which is the mark scheme for this question. Can you add on some points/ information to your answer?

### EXTRA REVISION:-

We would also recommend that you download the CCEA GCSE English Language Resource Booklet which can be accessed on the CCEA English Language microsite in Support Materials. It has some useful guidelines and valuable exemplar material which is worth reading. I would recommend reading over several pages each day .
