Dear Parents

I am attaching a list of GCSE reading and revision requirements for English Language and English Literature for your child to complete during the Easter holidays. This work will enable the Year 12 pupils to commence their revision programme before the return to school on 9th April 2018.

Also attached are separate revision guidance documents for any Year 12 pupil who obtained a D grade or below in her external English Language Unit 1 examination in May 2017 and who are resitting this Unit in June 2018.

Wishing you an enjoyable Easter holiday and thank you for your continued support of the work of the English Department.

Yours sincerely,

L McCombe
(Head of English)
