

Below are the running times for the Derby on Thursday. I have tried to accommodate requests as best as possible. If I have missed anyone out get in touch asap and I will sort it out. If I have made a spelling mistake with rider or pony names, let me know and I will change it for the day.

If you saw these times on Tuesday, please recheck as some times have moved by about 10 minutes.

The novice and open classes are big, so we would encourage you to arrive promptly for your tack check and be ready to jump in the correct order, so as we can stick to schedule.

Just a reminder that hats and body protectors must comply with current standards (as has been advised at time of entry) and be presented at the tack check.

I am looking forward to seeing you all there on Thursday.
