

7 September 2018

Enrolment for Combined Cadet Force recruits will take place in Bangor Grammar School from 1830 on the evening of Wednesday 12th September. The evening will commence with a short presentation on what we do in the CCF and the difference between the Army and Navy Sections. We would ask parents to attend this presentation in order that they and their child understand the obligations and responsibilities of joining the CCF as well as gaining an understanding of the opportunities available.

After this you will have the opportunity to ask questions of the Contingent Commander and Officers in Charge of the Army and Navy Sections, and if you wish to apply for a place in the CCF you will be asked to present your completed application form to one of CCF Staff.

There is a charge of £50 per annum to join, but in the case of recruits, we offer a trial period until the October Half Term. If at this point your child wishes to continue in the CCF, we will ask for payment to be made.

We will be taking on 120 recruits this year. In the case of oversubscription, we will offer 60 places to pupils from each school (45 in the Army Section and 15 in the Navy Section).

We look forward to seeing you on the evening of Wednesday 12th September.
