Dear Parent/Guardian

The new Parent app – easy access to important school information.

I wrote to you recently about a convenient new way to share information with parents about your child's school life. If you have completed the registration form already, you will be able to access our new parent app and website by following the instructions attached.

You can access the system from a smartphone, tablet or PC – anytime, anywhere.

What you will find in the SIMS Parent app:

- Important information such as attendance, behaviour and achievement
- School terms, inset dates and contact details available at the click of a button
- Access to your child's school report
- Receive notifications to remind you about important information such as key dates for your diary
- Access to update your contact details, so we will always have the most up to date information in case of an emergency
- If you have more than one child at school, you will have access to information for all your children, from the same app.

The information that you receive through the app will help you to stay up to date with your child's school life as well as support your child's development and progress.

If you have not yet registered for SIMS Parent app and would like to find out more, please contact School using: parentapp211@glenlola Collegiate.bangor.ni.sch.uk or on 02891 475340.

Yours Sincerely,
Mrs V Donnan
E Learning Coordinator
