Dear Parent/Guardian

Year 13/14 pupils and their parent(s)/ guardian(s) are invited to attend the Deloitte Insight Evening to hear more about the 'Future of Work' on Monday 5<sup>th</sup> November from 16:30 – 19:00 in the Metropolitan Arts Centre (MAC), Belfast.

Driven by accelerating connectivity, new talent models, and cognitive tools, work is changing. As robotics, AI, the gig economy and crowds grow, jobs are being reinvented, creating the “augmented workforce.” In light of this, we must reconsider how jobs are designed and work to adapt and learn for future growth. Join the Deloitte team for an interactive evening where they will explore what the future might look like, the key skills needed for a digital world, and how we must adapt to meet these changing needs. Deloitte staff will also explore the company’s school leaver and graduate talent programmes, highlighting how they are preparing their employees for tomorrow.

Refreshments will be available from 16:30 before the event officially begins at 17:00.
