ETI Inspection 24-25 October 2018

On behalf of the School I would like to offer thanks to parents and carers for the ongoing support that you have given in your daughter/child's education and to those of you who responded so positively to the recent ETI questionnaire.

We are delighted to inform you that the outcome of the recent inspection has been very positive and this is due, not only to the hard work of the staff and pupils, but also to the vital role that you play in the growth and development of your children.

Thank you.
