Dear parent(s)/ guardian(s),

Queen's University is holding an Information Evening for pupils in Year 13 at school and their parents/guardians. This is for degrees in the Faculty of Arts, Humanities and Social Sciences and it will take place on Thursday 15 November 2018, 7pm-9.30pm, in the Whitla Hall at Queen's University, Belfast.

At this event, students and their parents/guardians will find out about the degree programmes available in the Faculty of Arts, Humanities and Social Sciences at Queen's (includes a broad range of degrees from Accounting to Law). They will hear about the subjects and grades students need at GCSE and A Level (or equivalent) to gain entry to these degrees, and also the career options open to them. They will also have the opportunity to chat informally with staff and current undergraduate students. A list of degree areas offered in the Faculty can be found in the attached document for your convenience.
