

19 October 2018

Dear Parent/Guardian

Your daughter will be taking her first tracking tests in November 2018. She will be learning how to deal with examination anxiety and how to organise her revision in the next few weeks in the form period.

I have attached a pdf of Top Study Tips which will complement the information delivered by Form Teachers and will guide you in organising your daughter's study and revision in the coming weeks. Additional resources will be available on the school website.

Mrs Monroe  
KS3 PD Co-ordinator
