Dear Parent/ Guardian,

Learning for Life and Work (LLW) is a statutory requirement of the Northern Ireland Curriculum for all pupils at Key Stage Four. Aspects of Learning for Life and Work are covered through many subjects at GCSE. Besides this, Glenlola Collegiate provides pupils with a half day LLW workshop in both Year 11 and Year 12.

This year, this will take place on Wednesday 17th October. Pupils will participate in an interactive presentation from the *Northern Ireland Assembly Education Service* to help students understand the role of the Assembly.

Following this, pupils will participate in an interactive presentation from *Rise and Shine Well-being* about strategies to cope with anxiety and stress. As pupils begin GCSE studies, they face increasing pressure at School and we want to do everything we can to help them manage the challenges they face.

We are glad to be able to offer these presentations to our pupils during this academic year. If you require any additional information, please feel free to contact me at school.

Thank you for your ongoing partnership with the School as we continue to support our young people's development.

Yours sincerely,

Mrs O. Glasgow
(LLW Co-ordinator)

Mrs H. Law
(Head of Pastoral Care)
