Dear Parent/ Guardian,

Learning for Life and Work (LLW) is a statutory requirement of the Northern Ireland Curriculum for all pupils at Key Stage Four. Aspects of Learning for Life and Work are covered through many subjects at GCSE. Besides this, Glenlola Collegiate provides pupils with a half day LLW workshop in both Year 11 and Year 12.

Society, media, and peers each contribute to the increased pressure that young people can feel to participate in risk taking behaviours. In response to this, and as part of our Learning for Life and Work curriculum, the School has booked a team from *Made for More* to come and present an alcohol awareness programme to our Year 12 students.

This will take place on Wednesday 17<sup>th</sup> October. As well as the alcohol awareness programme, pupils will participate in an interactive presentation from the *Northern Ireland Assembly Education Service* to help students understand the role of the Assembly.

We are glad to be able to offer these presentations to our pupils during this academic year. If you require any additional information, please feel free to contact me at school.

Thank you for your ongoing partnership with the School as we continue to support our young people's development.

Yours sincerely,

Mrs O. Glasgow  
(LLW Co-ordinator)

Mrs H. Law  
(Head of Pastoral Care)
