

12 October 2018

Dear Year 13 Parents

Thank you again for attending last night's Target Setting evening. We hope you found it to be a useful and informative event.

Attached is the Parent App application form and we would strongly encourage you to register with us for this service.

If you have any further queries please contact the School via email on parentapp211@glenlcollegiate.bangor.ni.sch.uk

Please complete the attached form and have your daughter return it to the General Office.

Your sincerely,

Mrs V Donnan
E Co-ordinator
