To Year 12 Parents

Your daughter received your invitation to the Year 12 Parent Consultation today. A copy of the invitation is attached for your convenience. I do hope that you will be able to attend. Please complete the reply slip so that your daughter can return it to her Form Teacher by Thursday 28 February at the latest.

Also CCEA have asked us to inform you of their survey on parental understanding of the new GCSE grading system. The survey can be found at <https://research.ccea.org.uk/index.php/267796?newtest=Y&lang=en>
