

3 April 2019

Dear Parent

Pupils have recently been reminded in assemblies about the correct use of mobile phones whilst in School. The Policy regarding mobile phone/digital device use is in place and will be implemented in cases of inappropriate use. A copy is attached. Please refer to this as necessary.

Thank you for your ongoing support in this area – it is much appreciated and valued.

Yours sincerely

A handwritten signature in black ink that reads 'W E Thompson'.

W E Thompson
Headmaster
