

9 April 2019

Dear Parents

I am attaching a list of GCSE reading and revision requirements for English Language and English Literature for your child to complete during the Easter holidays. This work will enable the Year 12 pupils to commence their revision programme before the return to school on 29th April 2019.

Wishing you an enjoyable Easter holiday and thank you for your continued support of the work of the English Department.

Yours sincerely,

L McCombe
(Head of English)
