Year 11 - Information for Parents

The end of Year 11 examinations will take place from 13 - 17 May inclusive. In addition to the annual school examinations, several subjects undertake controlled assessments during the month of June; the arrangements for these assessments require that it is done under teacher supervision rather than at home. Therefore, in order to ensure that your child does not miss assessments during the remainder of this term, I would stress the importance of full attendance to the end of term. At this stage in the year it is recommended that Year 11 pupils should be studying for approximately 12 hours a week in preparation for the examinations.

The examination timetable is noted overleaf for your information. **Pupils need attend school only when they have an examination.** The arrangement for study leave is a privilege which may be withdrawn by the Section Head. Study leave is given to allow pupils to experience the same arrangements as in their actual GCSE examinations at the end of Year 12 and allows them to organise their revision to suit their own exam schedule. Your daughter is permitted to leave school between morning and afternoon sessions.

Further information relating to English, Mathematics, Child Development and Learning for Life and Work modular GCSE Examinations.

All pupils will be sitting units of their English and some pupils will be sitting their Mathematics GCSE examinations this summer. The first of these is English Literature, worth 30% of the whole GCSE, which will be from 9.15 to 11.00 am on Monday 20 May. The second English exam is English Language, worth 30% of the whole GCSE, on Wednesday 29 May from 9.15-11.00 am. Pupils are allowed study leave, from lunch-time, on the afternoon of the day before this examination.
