Year 8 - Information for Parents

Dear Parent/Guardian

With the holiday period approaching, we would like to wish you and your daughter a happy and enjoyable Easter break.

We also feel that it is important to let you know the dates of the summer examinations. The examinations begin on Monday 13 May and end on Friday 17 May. The summer examination timetable is shown below. It would be useful if your daughter could bring her school-work home over this period to help her with her revision. Your daughter will also take part in a study skills session on Tuesday 9 April, as well as the detailed revision guide

Please note that the results of these examinations as well as their general conduct will be taken into account when we reorganise classes for Year 9, so it is essential that your daughter prepares thoroughly for these examinations.

May I take this opportunity to advise you that the white open neck Summer Blouse may be worn in the Summer term by Junior School pupils.

Miss C Byrne
Head of Junior School
