

Below are the running times for the Derby on Thursday. I have tried to accommodate requests as best as possible. If I have missed anyone out get in touch asap and I will sort it out. If I have made a spelling mistake with rider or pony names, let me know and I will change it for the day.

Times may move slightly on the day, but by no more than 10mins, and this will be on the time sheet at the show office on the day.

As always for the novice and open classes, we would encourage you to arrive promptly for your tack check and be ready to jump in the correct order, so that we can stick to schedule.

Just a reminder

- Hats and body protectors must comply with current standards (as has been advised in the rules) and be presented at the tack check.
- Sponsorship money for our fantastic charity Macmillan Cancer Support can be dropped off when you are declaring and a fantastic prize of a Botanica Hamper awaits the top fund raiser.
- Please leave your dogs at home, in accordance with Gransha Equestrian Centre's Rules.

I am looking forward to seeing you all there on Thursday.

Judith
