Year 11 – Information for Parents of pupils who study Learning for Life and Work

Learning for Life and Work pupils are completing Controlled Assessment in class until the end of June; the arrangements for this assessment require that it is done under teacher supervision rather than at home. Therefore, in order to ensure that your child does not miss vital assessment, I am writing to stress the importance of full attendance and focus until the end of June. The Controlled Assessment is worth 40% of your daughter's GCSE Learning for Life and Work.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs O. Glasgow

(LLW Coordinator)
