Dear Year 12 Parents

Applying for Home to School Transport

As your daughter moves into Year 13, The Education Authority requires a **new application** for Home to School transport assistance. Online applications can be made via the EA website at www.eani.org.uk/transportapp. You will also find information regarding eligibility, available routes and qualifying distance.

It is recommended that applications are made early in July as applying in September can lead to long delays.

All Translink passes (Ulsterbus, Metro and NIR) are delivered or sent recorded delivery to the School. Pupils are required to sign for and collect their passes from the school office at the start of term.

Wishing you a safe and enjoyable summer break.

Mr M Harding
Head of Senior School
