Dear Parent,

The Mathematics Department would like to invite you to an information evening on the 17<sup>th</sup> September at 5.30pm in the School Assembly Hall. The purpose of this information evening is to explain how the department is going to use a new online resource that your daughter will have access to over the coming year.

The Mathematics Department has taken the decision to purchase access to [hegartymaths.com](http://hegartymaths.com) for your daughter to use. It is a web based system that has content ranging from Year 8 to Year 12.

At the information evening we want to explain to parents how the website will be used and how as parents you can help your daughter use this resource.

We hope that as many of you are able to make the evening as possible.

Yours Sincerely

Glenlola Mathematics Department

NB If you are a parent of Year 8 the information will be given at your information evening starting at 7pm.
