OXFORD AND CAMBRIDGE INFORMATION TALK

To Year 13 Parents/Guardians

The School is keen to encourage our pupils to consider study at Oxford and Cambridge. To this end the School is holding an Oxbridge Information Meeting at **3.35pm on Friday 20 September in the Year 13 School Study**. This will be a short meeting of around half an hour.

This meeting is primarily to present parents and our pupils with sufficient guidance to help them make an informed decision about their options. It is normal for significant numbers of pupils to show initial interest with a much smaller number eventually applying, so please do not hesitate to attend.

Both parents and pupils are welcome to this talk.
