PARENTS' AND GUARDIANS' EVENING

Queen's Management School invites you and your parents/ guardians to an event that we are holding specifically for students who are considering applying to university for degree programmes beginning in September 2020 or 2021.

The purpose of this event is to give you an opportunity to speak informally with staff and students within the School, to find out more about the specific degree programmes which we offer, to learn more about Queen's Management School and life at Queen's University in general. Ultimately, we hope that you choose to apply for at least one of our programmes when you complete your UCAS application.
