

25 October 2019

Dear Parent(s)/Guardian(s),

Queen's University will be hosting a number of Insight Evenings for parents and pupils throughout the Autumn. We wish to draw your attention to two upcoming events which may be of interest to you.

Engineering Parent's Evening

An **Engineering Parents' Evening** is scheduled to take place on **Thursday 7th November 2019** from **6.00pm – 9.30pm** in the Whitla Hall, Queen's University Belfast.

This event is for Year 11-14 pupils who are studying, or considering studying, A-level Mathematics and Science/Technology, and their parents or guardians. You are warmly invited to come along to hear why your child should consider an engineering degree and to learn about the exciting prospects for graduates from students and employers. Courses featured include:

- Audio Engineering
- Chemical Engineering
- Civil, Structural and Environmental Engineering
- Electrical and Electronic Engineering
- Mechanical and Aerospace Engineering
- Product Design Engineering
- Software and Electronic Systems Engineering

To find out more and to register to attend, please visit <http://go.qub.ac.uk/engineer>

School of Pharmacy Insight Evening

The School of Pharmacy will be holding an Insight Evening on **Wednesday 13th November** for pupils in Years 11-14 and their parents or guardians from **6.00pm – 8.15pm** in the Whitla Hall, Queen's University Belfast.

Guests will have the opportunity to learn more about studying Pharmacy, Pharmaceutical Sciences and Pharmaceutical Biotechnology at Queen's University, as well as talking to existing students and representatives from the professions.

To find out more and to register to attend, please visit <http://www.qub.ac.uk/schools/SchoolofPharmacy/PharmacyInsightEvening2019/>

Kind regards,
GCS Careers Department
