

6 February 2020

Dear Parent/Guardian

I wish to remind you, as outlined in the Information booklets distributed at the start of the year, that the second Senior School Parental Consultation takes place on Thursday 13 February from 1:30 to 3:30pm.

A Careers Adviser from the NI Careers Service will be in attendance. Please do not hesitate to take advantage of this opportunity.

Following this event (3.45pm - 4.45pm), representatives from the University of Ulster and Queen's University Belfast will host an information session for Year 13 pupils and parents in the assembly hall.

Kind regards

Mr M Harding
Head of Senior School
