Dear Parent

Sorrento School Trip April

Due to the on-going global situation regarding coronavirus we are still unsure about the viability of the Sorrento school trip. We are actively seeking daily advice and guidance from the PHA, Education Authority and the travel company.

The latest information that we have, as of today, is that the travel company are prioritising immediate departures and as our trip falls outside this period we are being advised to await further instructions. It is proposed that our planned Parental Information meeting on Thursday 19th March should, at this stage, be rescheduled to a later date when more information is available.

The travel company has requested that parents do not contact them directly due to GDPR but should seek clarification direct from school.

We greatly appreciate your support and patience regarding this matter and will provide further updates when we receive them. Please be assured that the situation is receiving our immediate attention.

Kindest regards

Mr Brian Montgomery
Vice Principal
