

23 April 2020

Dear Parent/Guardian

A research team at the University of Ulster is collecting information directly from parents regarding their experiences of supporting their child's learning at home during the Covid-19 lockdown period and has asked the School to invite parents/guardians to participate.

If you wish to do so, please use the following survey link which will be live from 23 April until 15 May:

<https://www.surveymonkey.co.uk/r/postprimaryparentsNI>

It is hoped that the data provided by parents will yield valuable insight into these unique circumstances and, in doing so, will provide the basis for further research as management of the pandemic unfolds in the weeks and months ahead. The survey will be live for parents to complete from 23 April to 15 May.

Thank you.
