

22 April 2020

Dear Parent/Carer

The Department of Education has recently launched a new app to support parents and carers in keeping their children safe online. I would strongly recommend that you download this and further details can be found at www.oursaferschools.co.uk/ (NI)

I would also like to remind you that our Familyworks counsellor is available through <https://familyworksni.com/>

Should you need to speak to a member of the Pastoral team, please email school via the info@glenlcollegiate.bangor.ni.sch.uk and mark your email "Pastoral Care".

Please take care of yourselves and your families.

Heather Law
Head of Pastoral Care
