Good morning,

*A password reminder:*

C2k Passwords automatically expire 120 days after they were last reset in order to maintain a level of security on the system.

If a password expires, or needs to be reset and the user knows their old password they can go to <https://services.c2kni.net/ums/>

Enter the required details as per the screenshot below and the new password will be registered  
The new password must be at least 8 characters or if using a previous add a number to the start/end

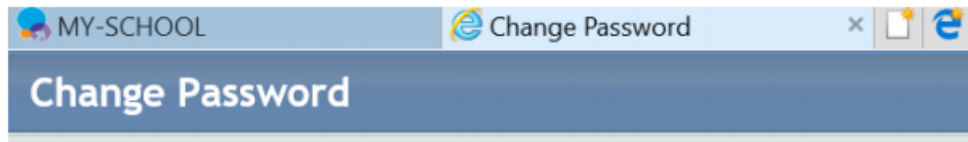

Kind regards  
Mrs V Donnan  
E Coordinator
