

5 May 2020

Dear parent/guardian

Your daughter should now be engaging in online lessons via google classroom for all of her subjects.

If you find that she still requires access to a particular subject classroom, please email the school info account info@glenlcollegiate.bangor.ni.sch.uk and address the code request to the specific subject teacher. We will then do our utmost to get back to you promptly with the required code.

Kind regards

Mrs V Donnan
E Coordinator
