

8 June 2020

Dear Parent/Guardian

As we approach the end of term, and in order to enable teachers to prepare material for next academic year, please note arrangements for the next two weeks.

In the week beginning 15 June teachers will reduce the amount of work they set and, week beginning 22 June, no work will be set for pupils. All schoolwork set up to 19 June should be completed and submitted where appropriate. This will allow pupils to catch up with any work they need to complete before term concludes.

We are working behind the scenes to prepare the School for returning next academic year and this will continue throughout the summer break. Logistics are still being finalised and these will be sent to you over the summer once more detail is known.

Thank you for your continued support at home during these unprecedented times and assisting with your child's learning.

Yours sincerely

W E Thompson
Headmaster
