Dear Parents/Guardians

Please follow the link below to access the most up-to-date information regarding your daughter's return to School.

Please note that, due to recent Department of Education guidance, the E-Booklet will have changed substantially since my last email.

The E-Booklet has been designed to update you as soon as we have any new guidance, I would therefore recommend that you refer only to this document for accurate information.

For all Year 11 and Year 12 pupils collecting results this week please refer to the *Examination Results* page for all the information you will need on the day.

For girls returning to School in Year 13 or Year 14, all relevant information can also be accessed in the *Examination Results* page.
