Re: GCSE Mathematics

06/11/2020

Dear Parent/Guardian,

I am writing to you to inform you of the arrangements the school has put in place regarding the GCSE Assessments for GCSE Mathematics. As you will be aware, pupils were unable to sit the M3 module as planned in May 2020. Therefore, I have outlined below the changes to our normal assessment and examination entries for Year 12 pupils below.

As part of CCEA's Assessment Arrangements for 2021, there have been **no** omissions from the GCSE Mathematics curriculum or assessments. ([Full details are available on the CCEA website.](#))

**All** pupils taught by Mrs McGarvey, Mrs Law, Mrs Loder, Mr Hamilton and Mr Robinson will be entered for the M7 examination on **Wednesday 13<sup>th</sup> January** at 09:15. Pupils that underperform will be given the opportunity of repeating this module in May/June 2021. The M3 module will also be completed at this time.

Obviously, this plan is subject to COVID-restrictions and government advice, and we will endeavour to disseminate information to pupils if and when situations need to change. We appreciate that this is an uncertain and sometimes stressful time for both pupils and families, and we would like to thank you for your patience, and your continued support.

Yours sincerely,

Mrs M Pierce  
Head of Mathematics
