Dear Parent/Guardian

While this has been a strange and challenging year, we feel that the Mock Examinations are a vital part of our pupils' learning experience. Pupils will be able to work on their revision technique and make sure that their learning is up to date for the Mock Examination requirements in each of their subjects. These exams are essentially practice for the actual GCSEs which are scheduled for next summer. Pupils do learn a lot through this process.

Please see the attached information about the forthcoming 'Mock' Examinations, which I trust will be helpful.
