November 2020

Dear Parent

We are committed to monitoring your daughter's progress as she continues with her course of A level studies. While we had planned to host our first Senior School Parent Consultation this week, sadly, we are not in a position to welcome you into the building to consult with relevant teachers at this time.

As an alternative measure, we have asked subject teachers to complete an academic progress survey of your daughter's performance since the beginning of term. Senior School staff will be in touch via letter if your daughter is to receive an intervention interview with a subject teacher, Head of Year or Head of Senior School.

I acknowledge that your daughter has been completing her studies in very difficult and uncertain times and I appreciate her support in following necessary guidelines.

Mock examinations are scheduled for the week commencing 30 November. The results of these examinations will further highlight progression and attainment. The Year 13 examinations will be hosted in the Cygnet Hall and your daughter is only required to attend School when she has an examination. Normal timetable will resume on Monday 7 December.

The second Senior School Parent Consultation is currently planned for 9 February 2021. We will, of course, keep you informed of arrangements closer to the time.

I would like to take this opportunity to thank you for your continuing support with your daughter's education. If your daughter does not receive an intervention interview at this time but you wish to consult with a member of staff, please contact me at info@glenlola.collegiate.bangor.ni.sch.uk

Yours sincerely

Mrs M Porter
Head of Year 13
