January 2021

Dear Parent / Guardian

The tracking reports for pupils in Years 8-11, based on their winter examinations, have now been issued on SIMS Parent App. You may have already received yours but, if not, it will arrive shortly. You will appreciate that these have been produced under difficult circumstances.

Once reports have been issued, we intend to hold parent consultations for each year group, via an online platform. You will be notified of the dates for each consultation in due course and given guidance on how to participate in advance of the consultation. In the meantime, I would encourage all pupils to take part fully in any assignments or assessments set by their teachers.

To further facilitate continuity of learning, we have taken the decision to reschedule the planned Baker Day (22 January 2021) and the School Development Day (22 February 2021) to later in the academic year, dates to be confirmed.

I want to take this opportunity to thank you for supporting your daughters in their online studies since the start of term.

Yours sincerely

A handwritten signature in black ink, appearing to read 'W E Thompson', is written over a light blue circular background.

W E Thompson
