

25 January 2021

Dear Parent/Guardian

As you are aware, this has been a very difficult start to the spring term, and I want to commend your daughter for her diligence and commitment to learning. However, we are aware that not all pupils have sole access to technology, and for some, online learning cannot be completed within the school day.

Therefore, to give pupils an opportunity to complete any outstanding work and to consolidate their learning by reviewing material they have covered, **Friday 29th January** has been designated a **reading day**. Teachers will not set any new work on this day and pupils should use the time to ensure all assignments are completed and work submitted where required. Pupils must however register with their Form Teachers on Friday morning as usual. Lessons will resume as normal on Monday 1st February.

Thank you for your ongoing support.

Yours sincerely

Dr C A Larmour  
Vice Principal
