1 March 2021

Dear Parent

The Educational Area School Nursing Team are planning to administer HPV vaccinations to Year 9 along with Year 10 catch-up vaccinations on Tuesday 16th March 2021.

The vaccinations will take place in School even though we remain closed for normal lessons at the time of writing.

The following appointment times have been made to ensure the pupils complete their vaccinations while adhering to Covid social distancing guidelines. Unfortunately, due to the timescale and uncertainty of when schools will reopen individual appointments cannot be offered.

Each class has been allocated the following time slot:

09.15 – 09.45	9A
09.45 – 10.15	9B
10.15 – 10.45	9C
11.15 - 11.45	9D
11.45 - 12.15	9E
12.15 – 12.45	9F
13.15 - 13.45	8 Year 10 pupils requiring a catch-up appointment

Parents are asked to enter the school grounds via the Valentine Road entrance and park in the top netball court. Parents are requested to stay in their cars. Pupils should walk towards the main School entrance but then follow the signs to Cygnet Hall to enter the School building. This will be sign posted. All pupils should always maintain social distancing whilst waiting for their vaccination and wear a mask.

Pupils should NOT attend if they are self-isolating, or if any family members have any of the following symptoms

- Shortness of breath
- High temperature
- A new continuous cough
- Loss of taste of smell

Prior to the first lock down, March 2020, parental permissions were sought for these vaccinations to take place. All supporting forms that the Nursing team require have been forwarded from School.

If you require further clarification regarding this vaccination then you are advised to contact the School Nursing Team direct at Scrabo Children's Centre, Ards Community Hospital, Church Street, Newtownards, BT23 4AS Tel: (028) 9151 0190

Your sincerely,
Ashley De Largy
