

15 February 2021

Dear Parent/Guardian

Due to the unprecedented times that we are currently living in, we are having to think about how to deliver some aspects of school provision differently. We appreciate all of the efforts that both you and your children have put into their remote learning and we are looking forward to their eventual return to our classrooms.

Unfortunately, we will not be able to welcome parents into our building for parent/teacher consultations this year but plan instead to hold Parental Consultations using a video system by using the website <https://glenlola.schoolcloud.co.uk>.

This system will allow you to sign in and book appointments to meet your child's teachers during the designated hours of the meetings. The website, Schoolcloud, will also allow you to invite other parents/guardians into the meetings with you should they be in different locations.

Currently the system has been set up to allow the first contact from SIMS to sign into Schoolcloud, book the appointments and then invite any others who need to be present, or if they will be in the same location then they can appear on the same device.

The following dates have been set for parent consultations:

Year 10: Thursday 25th February

Year 12: Wednesday 3rd March

Years 13/14: Monday 8th March

You will receive a further email with instructions to log in and available times for appointments.

Dates of parent consultations for remaining year groups, Years 8, 9 and 11, will be confirmed in the near future along with relevant information.

Yours sincerely

Mr Stephen Robinson
