

12 March 2021

Dear Parent/Guardian

To allow for sufficient planning and preparation in advance of the Staff Development Day on Wednesday, Tuesday 16th March will be a "reading day" for pupils. There will be no classwork set and pupils should use this time to catch-up with any missed work, prepare for return to school or carry out an activity to enhance their mental or physical wellbeing.

Pupils will not be required to complete registration on Tuesday 16th March.

School will remain open for the children of Key Workers on Tuesday who are most welcome to attend. These pupils can use the time to catch up any work that needs completed.

WE Thompson
