

15 April 2021

Dear Parent/Guardian

It is wonderful to have pupils back in school and in particular our Year 12, 13 and 14 pupils back for their second week since Christmas.

We wanted to confirm with you, that during the assessment weeks from 26 April to 7 May, pupils will have study leave and will only need to be in school when they have a test. I have also attached the examination time-table.
