

1 June 2021

Dear Parent/Guardian

Charity is integral to the life of Glenlola Collegiate School and in ‘normal’ years we would have enjoyed many charity fundraising events throughout the school year.

As with most aspects of life this year, COVID-19 has limited what we have been able to do.

Our aim is to hold a charity week from the 7 June to 11 June. During this week Junior School pupils will enjoy a dance-a-thon (subject to weather and all socially distanced) and Year 11 pupils will enjoy a fundraising activity too. All money raised will be supporting the work of Charlene’s Project, our whole school charity. If you would like to make a voluntary donation this can be done via SIMS PAY, choosing from the following options: £5, £10, £15 or £20.

We are also hoping to support our local community throughout the week by donating items for the North Down Store House and End Period Poverty. Further details on the items needed most are listed below. Pupils will bring these to their Form Rooms and will be collected at the end of the week.

Friday 11 June will be a colourful day! Girls will be invited to wear their PE uniform (leggings or tracksuit bottoms) with one item of clothing in their House Colour.

We hope that this fundraising week will give the girls something to look forward to after a very challenging year.

If you would like to find out more about the work of Charlene’s Project click the link below.
