Dear Parent/Guardian

This email is to remind you that we will again be using Parent App to send your daughter's Summer Report home next week. It is therefore essential that you check your login details so that you can seamlessly access your daughter's report. An important note to remember is that your Parent App login details are the same as your SIMS Pay login details.

At Glenlola Collegiate we are constantly seeking ways to streamline the important information we send to parents. Therefore, Parent App will become our primary method of sending all information home to you commencing this August.

Further information on Parent App can be found here <https://glenlola.collegiate.net/sims-parent-app/>

Yours sincerely
