SistersIn Celebration Event

On Tuesday 12th March, 31 Year 13 pupils from Glenlola attended an event in the Waterfront Hall to celebrate their completion of the SistersIN leadership and career development programme. The pupils heard from speakers such as First Minister Michelle O'Neill and Deputy First Minister Emma Little-Pengelly about being a woman in politics, and our own Romy Maguire who delivered the event's closing address. While all of the Glenlola girls were represented during the event, Tess Crothers and Isabella Heaney were also (quite literally) flying the Glenlola flag as part of the events organising group. The event was a fantastic end to the programme: an excellent opportunity to network with mentors from the business world and to celebrate what the girls have achieved this year.

Y11 Study Skills Parent Evening

Year 11 parents enjoyed an evening with Paul Gray from Learn Spark on Thursday. The event was aimed at getting your child study ready to help create a better pathway to exam success. The session covered areas like, helping them to manage their study time effectively, creating a focused study environment, and working to strengthen their understanding and memory through effective notetaking. The information was shared with great enthusiasm and humour by Paul and should certainly help parents to support, motivate and guide their children when studying.

Gymnastics

On Sunday 17th March our Gymnastics team had an excellent day at the Northern Ireland Schools' Acrobatic Gymnastics and Tumbling Championships!

U14 Groups:

1st place - Northern Ireland Champions
Grace, Lucie, Evie, Anna, Eliza, Isla

4th place - Caitlin, Poppie, Abi, Liv, Rachel, Autumn

QUB NI Business Challenge

On Thursday, March 21st, five Year 13 Business Studies pupils (Katie, Katie, Erin, Alana, and Faye) who won the QUB Northern Ireland Business Challenge, visited the Henderson Group headquarters at Mallusk. They redelivered the winning presentation to the Henderson Board of Directors, including Geoffrey Agnew (Director) and Billy Moore (Head of Trading). Representatives from BDO, QUB Management School, and CCEA were also present at this event.

Katie, one of our Year 13 participants, expressed, "This was a fantastic experience, greatly beneficial for our Year 13 A Level study, and an excellent opportunity to put theory into practice for industry professionals. We have been greatly encouraged by our success and are eagerly looking forward to our VIP box at the Belfast Giants next week to celebrate!"
