GCSE Leisure, Travel and Tourism

On Tuesday 9th April, our GCSE Leisure, Travel and Tourism visited the Culloden Estate and Spa attending a 'Hospitality Take Over Day'. Students took part in various workshops including mocktail making, food tasting, Tourist development in County Down and Digital technology in the Tourism industry. They were inspired by both young and older ambassadors in the industry, and learnt about the wide variety of jobs and roles that are on offer. Well done to all the students involved.

Updates

Tag Rugby

The inter tag team went to Banbridge last Friday to play in the Ulster Tag Qualifiers. They were runners up in their section and proceed to finals day which takes place on Friday 26th April in Cookstown. Thanks to Guy for coaching, and well done team!

Dressage Competition

Well done to Katie Cochrane who came 3rd in the Equine Rising Stars Junior Dressage competition at Gransha Equestrian Centre on her pony, Willis. Katie has qualified for the Final in September! Well done Katie!

Girls' Brigade

We couldn't be more proud of Year 13 pupil, Sophie Leinster. She received the highest award possible in the Girls' Brigade in NI for Endurance. What an achievement and what resilience Sophie has shown!

Girl Guiding UK

Congratulations to Katie on her appointment as one of two Northern Ireland regional representatives for Girl Guiding UK! Joining a select group of 20 girls and young women, ages 17-25, Katie will advocate for issues facing our generation in Westminster, Parliament, Royal events and political conferences.

Updates

Ulster Rugby

Congratulations to Robyn Hipson, Y11, who has been invited to an extended training squad for Ulster Rugby's U16s 7s squad!

Offline Consequences for Online Behaviour

We were delighted to welcome Deborah Webster from Thrive Academy in to Glenlola before the Easter break to speak to our Year 12 pupils on the topic of 'Offline Consequences for Online Behaviour'. A really thought-provoking and informative session that we know will help our pupils make wiser decisions online.

Charlene's Project

Pupils and staff will be supporting the work of Charlene's Project during a trip to Uganda. The school has organised a fundraising raffle to help cover some costs of the trip. Amazing prizes to be won! See attached flyer for more details.
