

Dear Parent/Carer,

The School Immunisation Team is going to be visiting your child's school in the coming weeks to administer the HPV vaccine or School Leaver Boosters.

These vaccines will only be offered to those pupils who returned a signed consent form but who were absent or uncooperative on our previous visit to school.

If your child has received their vaccine elsewhere in the meantime, or you wish to withdraw consent, please contact the School Immunisation Team on the number below. **If we do not hear from you, we will assume you are happy for the team to vaccinate your child.**

Yours faithfully,

The School Immunisation Team 

028 90413765
