Year 11 – Summer GCSE Examination Information for Parents/Guardians

The Year 11 GCSE Units are scheduled by CCEA from 7th May to the 7th June inclusive. The examination timetable is noted below for your information and will also be put on the School's website. I would like to remind you of the following Middle School arrangement for study leave.

Pupils need attend school only when they have an examination for the two weeks from 13th – 24th May. For other Units taking place outside these dates pupils only have study leave on the morning before an afternoon exam.

The arrangement for study leave is a privilege which may be withdrawn by the Section Head. Study leave is given to allow pupils to organise their revision to suit their own exam schedule and can lead to a very positive outcomes in terms of results achieved. Your daughter is permitted to leave school between morning and afternoon sessions if she has consecutive examinations. The Year 13 Study Room will be available for private study. If ill on the morning of a GCSE Unit, please contact the School as soon as possible. Please inform me if anything arises, or has arisen, which may require a special consideration application to be made on behalf of your child.

Preparing for Exams – A Quick Guide for Parents/Guardians is also included with this message, which will hopefully be of help. Thanks to those that came to our Learn Spark – Getting Your Child Study Ready, parent/guardian event in March. Feedback has been good and this seems to have been a useful evening.

May I take the opportunity to thank you for the support you have given to your daughter in the lead up to these GCSE Units, and to wish her every success in the forthcoming examinations.

Please contact me if you have any queries or concerns.

Mr Spence
Head of Middle School
